

Activities Booklet

Edition 1 – February 2010

Welcome to the first edition of the Activities Booklet!

By the time that you receive this booklet, there will already be a number of you that have accessed some of the services that we are providing information on. We are providing you with a few ideas on activities and provisions around the London Borough of Barnet, but by no means are covering them all!

As this is the first edition of this leaflet, we will periodically review the information that is provided to ensure that you are receiving the most accurate and up-to-date information on play and leisure provision in the borough.

If you have any information that you may feel would be beneficial for future publications of this booklet then please feel free to let us know!

Thanks and happy reading!

Andrew
Club Development & Training Officer

This leaflet has been produced to provide you with information on what is available for your child. There are a number of activities that IPOP can provide support at, so if you have any questions, then call and ask!

Please be aware that the schemes and activities outlined in this booklet are only representative of the vast number of provisions available, for a more comprehensive list, please visit www.barnet.gov.uk/directme or the IPOP website www.ipop.org.uk.
