

# Summer Activities Booklet

Supplement 1 – June 2010  
5-11 year olds

# Welcome to the Activities Booklet Summer Supplement!

Dear Parents and Carers,

It's that time of year again when the hustle and bustle starts in trying to work out what your children will be doing during the long summer break. Some will be taking to the skies to chase the summer sun, but what to do with the other weeks left before school starts again?

That's where this supplement to Edition 1 of the Activities Booklet comes in! By the time that you receive this booklet, there will already be a number of you that have accessed some of the services that we are providing information on. We are providing you with a few ideas on activities and provisions around the London Borough of Barnet, but by no means are covering them all!

If you have any information that you may feel would be beneficial for future publications of this booklet then please feel free to let us know!

Thanks and happy reading!

Andrew  
Club Development & Training Officer

This leaflet has been produced to provide you with information on what is available for your child. There are a number of activities that IPOPOP can provide support at, so if you have any questions, then call and ask!

Please be aware that the schemes and activities outlined in this booklet are only representative of the vast number of provisions available, for a more comprehensive list, please visit [www.barnet.gov.uk/directme](http://www.barnet.gov.uk/directme) or the IPOPOP website [www.ipop.org.uk](http://www.ipop.org.uk).
